1. In discussing the referenced memorandum with the Deputy Director the necessity of referring such requests to him for final approval was also discussed.

2. General Cabell indicated it was his desire that all requests for the use of unvouchered funds, in which vouchered funds had actually been specified in the project approval, should come to the Deputy Director (Administration). The Deputy Director (Administration) is then authorized to use his discretion as to whether or not approval of the request makes a sufficient change in the intent of the original approval to warrant referring it to the Deputy Director. If not, the Deputy Director (Administration) is authorized to approve; otherwise, it will be referred to the Deputy Director for final decision.
